SUMMARY

PhD candidate in English at the University of Michigan and AI model trainer. I bring years of university teaching and scholarly research to writing expert tasks, designing rubrics, and evaluating frontier AI models. Seeking roles in AI evaluation, including model assessment, rubric and benchmark design, and data quality.

EXPERIENCE

AI Model Trainer — micro1 and Mercor (contract, remote) Dec 2025 – present
- Author expert-level tasks and design rubrics that specify what a strong model response must contain.
- Evaluate model outputs and review and give feedback on other experts' work.
- Reviewed hundreds of tasks across dozens of occupations, most of them in education.

Adjunct Professor — George Mason University Aug – Dec 2025
- Designed and taught an undergraduate course on the Bible as Literature: lectures, assessments, and assignments.
- Gave detailed feedback on student writing and supported students in office hours.

Graduate Student Instructor — University of Michigan Aug 2022 – May 2025
- Taught three sections of first-year writing; students' grammar and writing test scores rose by a full letter grade on average.
- Earned strong evaluations relative to peer instructors; nominated for the Heberle Award for excellence in graduate student teaching (2024).
- Graduate Student Instructor for two Shakespeare courses and one Bible as Literature course.

Research Assistant — University of Michigan May – Aug 2022
- Prepared the manuscript of Professor Adela Pinch's *Victorian Fiction and the Location of Experience*, working independently on a book-length project.

Creator and Editor — danecoleanderson.com Feb 2025 – present
- Researched, conducted, and edited fifteen long-form interviews with scholars including Stanley Fish, Hollis Robbins, and Michael Clune.
- Built and maintain the site with AI-assisted coding (React, Sanity, Netlify).

Student Supervisor — Cal Calling Center, UC Berkeley Feb 2018 – Jun 2020
- Supervised student fundraising callers, managed call workflows, and analyzed fundraising data.

EDUCATION

PhD, English Language and Literature — University of Michigan Expected May 2027
Dissertation on the conceptual pair of subjectivity and objectivity in nineteenth-century British intellectual history. Rackham Predoctoral Fellowship (2025–26); Rackham Humanities Research Dissertation Award (2026–27).

BA, European History, *magna cum laude* — UC Berkeley 2021
Haas Scholars Fellow (2020–21); honors thesis on David Hume and Scottish intellectual culture.

SKILLS AND CERTIFICATIONS

Skills: model evaluation, RLHF, rubric and benchmark design, expert task authoring, academic research and writing, course design, editing.
Certifications: Palantir Foundry & AIP Builder Foundations (2026); Palantir Speedrun: Your First End-to-End Workflow (2026).
